# Commercial Transport (Level 3)

This qualification is for people intending to pursue focused development in the skills, capabilities, knowledge and attributes needed to enter an industry where light, heavy and civil transport assets are used, and to further progress onto the larger vehicle assets at the higher licence class levels.

## Duration

This programme is run full-time for 16 weeks where you will spend 4 to 5 days each week participating in classroom training, self-directed study, industry site visits and work experience.

## Programme Dates

For up to date programme dates, please check out [go.axiomtraining.co.nz/learn-to-earn](http://go.axiomtraining.co.nz/learn-to-earn).

## Course Fees

There is a Course fee of \$2500 that applies to this programme, which is approved by NZQA and Student Loan funding is available. Visit the Studylink website at [studylink.govt.nz](http://studylink.govt.nz) to apply.

**Please note:** Axiom Training covers Medicals, Licensing, Endorsements and PPE Gear costs.

## Education Pathway

This qualification builds on broad qualifications at NZQF Levels 1 and/or 2, including the National Certificate of Educational Achievement (NCEA) Levels 1 and/or 2. Holders of this qualification will be able to progress to further study or training related to the context of their study, i.e. commercial transport or earth moving machinery operations, at NZQF Levels 3 and above, including the New Zealand Certificate in Study and Career Preparation (Level 4).

## Employment Pathway

Graduates of this certificate may have enhanced opportunities in employment and professions associated with the context of their programme, i.e. commercial transport and civil works.

## Delivery

This practical programme is led by industry-experienced trainers and gives the necessary skills and knowledge to safely work in a range of roles associated with the commercial transport and civil works industries and those other industries in which transport and machinery assets are employed.

**Fees free and student loans available to eligible participants**
