Tena koe

Tenei te mihi ki a koe i runga i nga ahuatanga e hau nei i a tatou i te ao, i te po.

As we move into another phase of our development which is to focus more directly on supporting the wellbeing and prosperity of our owners across our social, cultural and economic initiatives, we have established three new roles that are crucial for this work. They are:

- 1 **Pou Tuhono** who will work closely with our owners to turn opportunities into action and get things done in a practical way. Proven leadership in Maori development is a key requirement for this role.
- 2 **Farm Manager for Otarahanga Farm** which has recently returned to our management. We are looking for a person to manage the current operations on our farm but specifically to look at other options for land use which align with our vision of high value products and a more intensive farming operation. We are looking for a farmer with practical experience and an entrepreneurial spirit for this role.
- 3 **Office Manager** to look after the administration of the office and support Owners through all registration and grant processes. To support the Trustees to work on behalf of Owners to achieve outcomes for Tuwharetoa.

We are keen that you let the whanau know about these vacancies and encourage those who are interested to put in an application.

Lyn Harrison from Atahaia is supporting us with the recruitment of the Pou Tuhono role and her colleague Marama Steele will support us with the Farm Manager role. Their email addresses are: Lyn atahaia@actrix.co.nz and for Marama marama.atahaia@gmail.com. Lyn has been recruiting for Maori specific roles since 1999 and both she and Marama combined have extensive networks with Maori.

These roles will be advertised widely on Mahi.co.nz, Seek.co.nz, nz farmingjobs.co.nz and nzfarmingsource.co.nz. and application close on Friday 3 December.
